“ Our oldest brother, Dick, found the love of his life! Terry entered into our family with style and grace. She was thoughtful, kind and accepting. She led by example and thought before she spoke. She was a loving wife and mother, a talented seamstress, wonderful cook and gracious hostess!

Terry made their home our second home. From the frequent family gatherings to the amazing Christmas celebrations, their home was the place to be!

To my wonderful sister-in-law, mentor and friend, thank you for all you have bestowed upon me and four generations of our family!

You were an exceptional woman that made a difference and left a lifetime of precious memories. We miss you dearly!

I have no doubt when you met our Lord you heard the words we all want to hear..”Job well done!”

Until we meet again, you will live in our hearts! ❤️
