“ Tom and I used to hang out together quite often when we were kids. We would always talk to each other at family get togethers. He was a special cousin to me and definitely a big part of my childhood. Fond memories. RIP, Tom.....

Tom was a great guy and will be missed. Tom’s parent and mine were great friends so I grew up playing with all the kids. Our families visited each other’s house regularly. Every parade, we sat on their hill and watched it go by and played at the school on the playground. I just found out today Tom had passed. So sad. My thoughts and prayers to his family and friends.

“ It was either the summer of 1976 or '77, I was driving from LC to Defiance College for summer classes. Route 24 had some road work happening & Tom was on the flag crew. At that time, the flagger would hand the flag to last driver of the group, who passed it on to the flagger at the other end to keep the alternating line-ups moving. Tom must have watched for my family's car I was driving. I would have the window down & Tom would hand me the flag - with a BIG smile & a friendly greeting. I never had to wait in traffic.

I'm sure Tom didn't have to wait at the Pearly Gate. St. Peter handed him the flag - with a BIG smile & a friendly welcome. And, I'm certain Tom's smile was BIGGER! 🙏🙏
