“ *I only knew him for around 1 and a half years. He loved and was so proud of his son's. He was so talented and kind, even though he kinda hated being kind lol. He would say he wasn't fond of this or that or that person, but he would drop anything to go and help anyone who needed it, even if it seemed reluctant. He was smart, funny and stubborn. He will be missed greatly! If he wanted the world to know anything, it was that Jacob, Chase and Joshua meant more to him than ANYTHING in the world, he loved them so much and was so very very proud of EVERYTHING they did.*
