“ Tom I know now why I didn't get an answer back on FB, I wanted to know how you were doing, we talked on march 27, about your cancer and what you had to go thru with all the treatments, the last we talked was on May 13, 2014 briefly about selling your bike.. July 30, 2014 @ 5:38 pm CST I tried to make contact with you, now I know why you didn't answer. RIP my friend, see you on the other side and we'll go for that ride...

“ I was shocked to learn of Tom's passing. Seventy-one doesn't seem terrible old nowadays. I'm very sorry for your loss. He most certainly will be missed.

“ I grew up with Tom from kindergarten through graduation and have nothing but fond memories. We've kept in touch over the years, if not in person, by phone. I sure will miss our chats...the last thing Tom said to me, less than a week ago was, I love you...well, love you too Tom and may you rest in peace. I know you will be missed by Dorothy (my condolences to you, and your family), and Teal, your loving dog.
