“ Sandy, Please accept Jr and my sincere condolences on the death of your mother. What a lady! I remember how she was always so smiling and pleasant and fashionable. We surely have both been blessed with wonderful parents who were such good role models for us. I accessed Rodenberger site to find a model of an obituary because I am writing one for my sister Jo who also died on Sunday in Carmel, NY hospital after living with the knowledge that she had cancer since April, 2008. A mighty struggle her was and now she is safe in the hands of our loving Savior. Your childhood friend and buddy, Sandy##imported-begin##Sandra Honemann##imported-end##
