“ Hello Jeri and Ron. I am so sorry. Jeri, you and your Mom had such a special relationship. I know that you became the woman you are largely because of that ongoing relationship. It is such a tragedy to lose someone so important and I wish you, your Dad and Ron did not have to feel those feelings. My love to you and I hope that the love and support you all have shown to so many people will surround you with feelings of real comfort. You all know the true sense of community, friendship and courage to face what comes our way, often with humor, but always with steadfastness and honesty. While I don't know your Dad except through your words, I know that he too is integral to your lives and will continue to give you purpose and vice versa. Again, I am sorry. as ever, Joyce##imported-begin##Joyce Sutton##imported-end##
