“ *Sonnenberg Family,*

*You have our deepest sympathy! After your folks moved to Alpine, Norbert & I would visit quite often. When Norbert's Dad (Eldor) was there too, they would visit each other also. It is hard to lose someone that was very active before, then goes into assisted living and still lives quite a few years yet. You see the decline each time you visit them. They are all up there in heaven talking German about old times and with their partners again. Remember all the good times you had with him!! God's peace be with all of you!*

“ Dear Pastor Tim & Diane and family, Just a note to let you know you are all in our thoughts and prayers. Indeed from reading Vic's obituary he was a man of faith and was active in sharing that faith with others. He was busy in his community too. May God's loving arms be around all of you now and in the days to come.

“ *Sonnenberg family,  
Difficult times...I always loved talking with your mom and dad. Your dad knew me for a long time as "his cousin" and remembered I was Leo's daughter. One time he said "you look like Leo." My husband got a kick out of that! He taught me a few German phrases before I went to Germany...so when I saw him I would practice those phrases. Do take care as you move through your grief.
