“ I will miss you more then you will ever know, brother. In the end you became my best friend and a tower of inspiration. We shared a ton of laughter and a few tears. We once had a debate on who was the most stubborn, for which I still think I won. We shared ideas on success, but probably were our own worse students. But when it came down to who could I rely on, it was always you. You now are with my son and our parents, a time I look forward to. I will miss you LeRoy, I love youâ€¦.Your brother Jim##imported-begin##Your Brother Jim##imported-end##
