“ Pastor Sorry to hear about Birdie, have only fond memories of her and all she did for mom as a neighbor and more importantly as a friend. Still remember as if it happened yesterday the time she spent a week in Tampa with mom and me. I worked third shift then and couldn't find me bennie cap one particiarly cold night and was unable to find one in a store, so birdie suggested that I buy some panty hose and use it for a head covering. Could only think of trying to explain to the cops that I was wareing them just to keep my head warm and not to rob a store.##imported-begin##John R Shaw##imported-end##
