“ Wilhelm Family, I did my student teaching, through BGSU, and graduated in 1988. Ron was one of the adults that I worked with at Wood Lane Industries. I enjoyed and fondly remember his humor, big smile and gentle personality. I have thought about him many times over the years. I have a brother Ben, who is now 30, that also has Down's Syndrome. I realize that you do not know me but when I saw his name in the paper I had to let you know that he touched a place in my heart and I have never forgotten him. Such a caring man could only have come from a family that treasured and loved him. May God bless you and help you through such a difficult time. Jacquie (Bugner)Allison Carey, OH

“ aunt Marlene & uncle Jim sorry to hear about Ron's death. I have a memory to share with you. I remember when Jason graduated. Michael & Devyn were small babies. Ron was watching Paula with the girls. He wanted to hold the girls but was afraid to ask so Paula asked aunt Marlene if it was ok and she said ok. So Ron sat in the chair and Paula gave Ron one girl at a time he sat there like a proud uncle. Even if he was not family, that made his day.##imported-begin##Chris & mike Stoker##imported-end##

“ I worked with Ron for several years when he lived at the Hadley Home. He could always put a smile on my face and brighten the day with that smile of his. I couldn't tell you how many times I tried to get him to turn down his TV and radio so we could talk (without being successful of course!!)!!!imported-begin##Tarla Marovich##imported-end##

“ I work at the Bair home where Ron resides. I am so sad that Ron passed but I do hold dear all of my memories I have obtained since I began working with Ron. Ron was by far the kindest soul I have ever known and always made me feel welcome in his home. For that I am forever grateful and I will never forget the look on Ron's face when he was happy. Ron, I miss you and will always remember you.##imported-begin##Steven Hurst##imported-end##
