“ I'm so sorry to hear William's passing, I'm one of his classmate at Damascus Twp. High School. I remember as I called him Bill growing up just north of the school in his father's station on route 6. The only way I found out about your husband and son's lost is I'm setting up a pre-paid arrangement with funeral home in Napoleon. Living in Berea, I don't much news from Henry county. I'm sure you are missing him, but please remember all the fond memories of his life he shared with you all. My deepest sympathy to the to your family. Richard L. Shively (Class of '59)

“ My name is John Houston, I am from Louisville, Ky. Hearing about the death of a fellow worshipper saddens me, even if we have never met. But the hope we share gives my heart such joy, because I can begin a conversation with him, on this point, speaking to him as if I did. Our love for Jehovah will show and after many years I will find him and introduce myself and share this moment though now of great grief, will then be one of elated joy. Stay strong Hosman family he will hear that VOICE, and come out, be there to welcome back! Love from Ky., agape your family is in my family prayers. Thank you for this opportunity. Have a good evening!
