“ William Lemay was proven to be my Father by a DNA test. He never had the chance to know me by the time I knew of him being my biological father. I know he is watching me now, knows I am his, and is proud of his daughter. I wish I would've had the opportunity to know his soul, but one day I will. Until then I smile knowing he is at peace, he is free of pain, he can remember everything and is smiling down on me too. I wish I could have known anyone one of my family members as well. Please contact me if you wish to know who I am, how 'Billy' was my aunts boyfriend but had a 'good time' with my now deceased mama and was caught by Chuck right after the act! lol!!! It's all quite a whirl wind to believe but I can prove it and would love to share my story with y'all!
William, Dad, Hi! I can't wait to meet your soul!!! I love you. Love,
your daughter Stefany Peters
